Summer 2024

PB Potpourri (Advanced) INSTRUCTIONS

We're stepping it up a notch with this one, aimed at more experienced readers. For this version you'll be reading 3 different books to earn each square, giving you 3 times the fun! Read 3 picture books of your choice from each of the picture book alpha bins and special sections corresponding to each single bingo square on your card. You can ask for a 2nd card when you finish the first.
