Summer 2024

PB Potpourri (Basic) INSTRUCTIONS

Just starting on the Reading Road? Well, this one's for you! Have some fun selecting a picture book of your choice from each of the picture book alpha bins and special sections corresponding to the bingo squares on your card. You can ask for a 2nd card when you finish the first. There's also an advanced-reader version that takes it up a notch. That's right, picture books are for EVERYONE!
